

Did you know?

City of Victorville residents recycled over 4,500 tons of materials through their "Blue Bin" Curbside Recycling Program in 2008.

Those 4,500 tons are equal to about 1.5 months worth of residential trash from the City and would fill about 1,000 trash trucks!

The total recycled included:

- ♻ 2,874,394 pounds of mixed paper (magazines, catalogs, cereal boxes, junk mail...)
- ♻ 1,811,809 pounds of newspaper
- ♻ 1,606,991 pounds of corrugated cardboard
- ♻ 1,383,534 pounds of glass bottles and jars
- ♻ 805,120 pounds of plastic bottles, jars, and other plastic containers
- ♻ 256,676 pounds of tin (food) cans
- ♻ 19,881 pounds of aluminum cans

Congratulations City of Victorville Residents!
You Are Making A Big Difference!
